

FY07 Quarter 2 Programming Changes
Implementation Date: December 1, 2006
Freeze Date: October 15, 2006
REVISED: November 9, 2006

Child/Adolescent Service Package 3 (Treatment Foster Care) will no longer be a choice as a Level of CARE Recommended (LOC-R) or Authorized (LOC-A) effective December 1, 2006.

The Child/Adolescent RDM Assessment TRAG Calculator has been modified due to the removal of Service Package 3 and is posted on:

<http://www.dshs.state.tx.us/mhprograms/RDMCAtrag.shtm>

~~The edit on the Child/Adolescent Uniform Assessment that prevents overriding a client who receives an LOC-R of 9 into a service package *more than once* will be removed.~~

Currently, TMHP is scheduled to accept Medicaid claims for MH Case Management and Rehabilitative Services directly as of December 1, 2006. Providers will not be required to submit claims via the Translator (send claims directly to TMHP) as of December 1, 2006. Additional information will follow as it becomes available.
