

**FY07 Quarter 3 Programming Changes**  
**Implementation Date: May 1, 2007**

Adult UA:

- TRAG calculations will change regarding Adult Service Package 2. This change will affect the calculations for the LOC-R.
- The title for TRAG Dimension 9 will change from “Response to Medication Treatment (MDD Only)” to “Depressive Symptomatology (MDD Only)”. There will continue to be 3 ratings for this dimension.

Child/Adolescent UA:

- TRAG calculations will change regarding Child/Adolescent Service Package 2.3. This change will affect the calculations for the LOC-R.

An MH Broadcast Message will be sent soon that provides more details regarding the TRAG changes listed above.
